Teaching Experience

2018 Aug-	SLO MakerSpace Teaching adults and teens proper use and safety in a studio space with wood, ceramic, metal, CNC router, laser cutting, sewing, 3-D printing facilities. Problem solving for a plethora of studio projects. Create content for classes offered. Produce graphics for web presence. The expected and unexpected daily running and maintenance of a large multi-use studio space.	San Luis Obispo, CA
2016 Jan.-May	Ceramic Sculpture, Instructor of Record Developed and implemented lectures and demonstrations on the technical and conceptual foundations for constructing complex works in clay. Created prompts for discussion and critique of ceramic art and art practice. Established reasonable time management to ensure academic objectives were achieved.	SUNY Stony Brook, NY
2015-2014	Digital Arts, Instructor of Record, 4 Semesters Solely responsible for developing content for a hands-on introduction to the use of computers in the fine arts. Introduced still and moving image software that is widely used in most professional settings. Created labs, assignments and projects to facilitate the learning objectives successfully. Generated prompts for discussions and critiques of important works of computer media art. Developed lectures that analyzed our daily digital life and the similarities and differences with historical and contemporary art movements and it's potential to influence across disciplines.	SUNY Stony Brook, NY
2013-2011	H.M.Cruce Productions Independent teacher and producer of video art. Worked with private clients to develop their ideas for creating videos. Worked closely with CSU Humboldt's First Street Gallery Director to teach gallery interns all aspects of video production and publication to develop an archive of local artist videos. Credited with technical and aesthetic guidance.	Humboldt Co., CA
2013-2007	Assistant to Director, CSU Humboldt's First Street Gallery Started at entry level gallery assistant position. My energy and desire to learn all aspects of Gallery and Museum Studies guided me through several promotions up to my final responsibility as assistant to director. Responsibilities included exhibition installation, exhibition design, working with student, local and international artists, trained and organized interns, created web content. Represented the Gallery as curator for two consecutive summer exhibitions that included radio interviews. Guided talks for classes and community members during exhibitions. Co-authored fundraising letters with great success. More basic duties included email, planning receptions, picture editing for website, and cheerful but informed public relations.	Eureka, CA
2011	Ceramic Sculpture, Instructor at Fire Arts Introduced hand building techniques for ceramic sculpture at a community studio. Age range, 14-65. Responsible for teaching successful building, glazing and firing techniques.	Arcata, CA

2011-2010 Ceramic Department Firing Assistant, 2 Semesters CSU Humboldt, CA
 Responsible for working with a team of four people to coordinate all weekly ceramic firing for entire studio that had approximately 150 students. Coordinating the firings, required knowledge in gas and electric kiln use. In addition, one semester, glaze technician aide. Make and maintain all studio reduction glazes.

Related Experience

2016 Sep.-Dec. Ceramic Internship at the Office of Arts at Harvard Allston, MA
 Focused on the studio operation of a 300 plus persons student and community ceramic studio. Particular attention to understand sustainable ceramic practices. Common duties included, glaze mixing, bisque firing, setting up demonstrations for special events, special projects for studio and education directors. Assisted in install and de-install of exhibitions in *Gallery 224*.

2016-2014 Preparator, Charles B. Wang Galleries SUNY Stony Brook, NY
 Preparator for large, architecturally challenging exhibition spaces for traditional and contemporary Asian and Asian American works. Responsible for leading a team planning, installing, de-installing, packaging, of craft, heirloom and masterpiece works. Worked with exhibiting artist one on one to realize their installation visions.

2016-2014 Preparator, Paul W. Zuccaire Gallery SUNY Stony Brook, NY
 Instructed undergraduate students in exhibition practices, hands on installation, how to interpret artist's visions for exhibition. Assisted installation and performance artists. Crafted and delivered exhibition talks to visiting undergraduate groups.

2015 May Residency, Watershed Center for the Ceramic Arts Newcastle, ME
 Focused on learning the materials and chemistry of making clay bodies and glaze. Acquired knowledge and practice with procedures and equipment used in the production of clay for a professional and or community studio.
